Type: Flexible, commission-based / per-project

About the Role

You'll create engaging content and ad creatives that influence performance and brand storytelling. Ideal for creators who want **flexibility**, autonomy, and diverse projects.

What You'll Do

- Design social posts, ads, and landing page visuals
- Develop copy for ads and short-form content
- Support brand identity and creative frameworks
- Work async with performance + growth teams
- Deliver creative assets on your own schedule

What You Need

- Strong design/creative instincts
- Experience with Figma, Canva, or Adobe tools
- Portfolio or sample work
- Comfort working flexibly and remotely

Compensation

- **25–40% commission on creative retainers**
- Fixed project rates for reels, ads, and videos
- Fully flexible scheduling
